

DETERMINATION OF NONSIGNIFICANCE

Forest Practice Application Number: 2810747

Description of proposal: Even-aged harvest of 10 acres and 3 log cribbing crossings in F water. This parcel is located on Platted Property, the applicant does not propose to convert and Skagit County has indicated that no permits will be required from the county. This proposal does not allow clearing or grading activity or any activity which will require a permit from the local government. Therefore the DNR is Lead Agency for this proposal.

Proponent: Britton L. Walden

Location of proposal, including street address, if any: North ½ of the South East ¼, Section 17, Township 36 North, Range 4 East. Located at 4491 Lois Lane, Sedro Woolley, WA 98284. Parcel #49358, Skagit County.

Lead agency: Washington State Department of Natural Resources

The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.

Key Environmental Issues: None
